Jr. High Football

The 1984 Jr. High Football team will be one to remember. The Jr. High Dragons ended their season with a perfect 7-0 record. This proved to be the best in the school's history. This group of young men has a very bright future and will be remembered not only for their great accomplishments this past year but also for their many accomplishments to come.

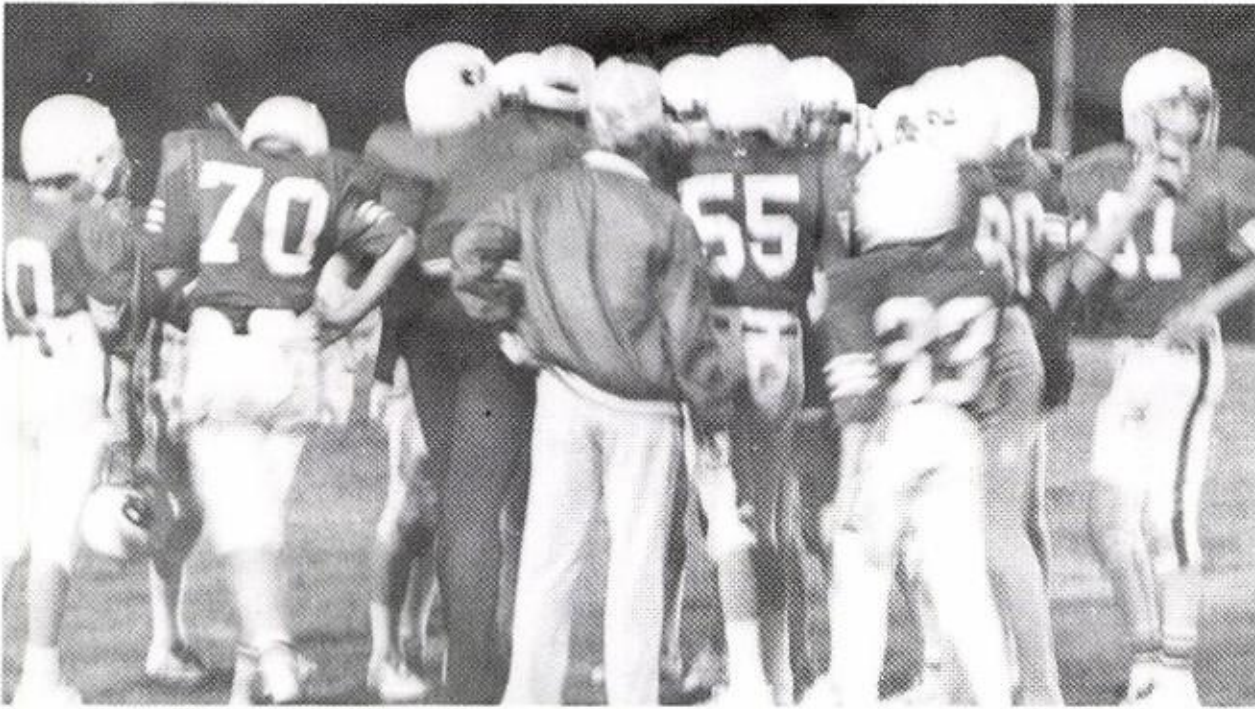

Hey! It's me, mom.

What's going on over here?

On March 4, 1984, the Redwater shopping center burned to the ground. The post office was saved, but the only other remains consisted of part of the Pharmacy, rubble, and ashes. This was a sad day for many people who had done business at these places all of their lives. A temporary bank was set up, but a new bank is under construction to replace the one lost in the fire. Although the shopping center will never look the same, perhaps the new structures will reflect the growth of our community.

Happy reminder.

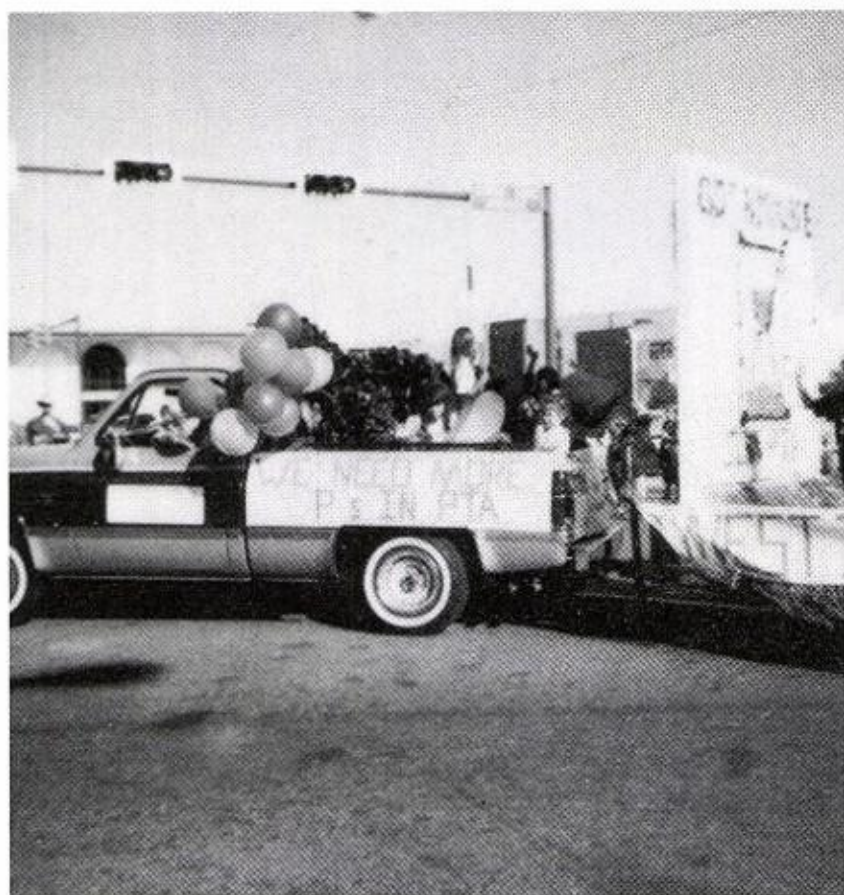

Life ahead offers many uncertainties.
But throughout the years one constant remains.
Your Balfour class ring. It will never fail as a happy
reminder of the golden years you shared with your
